

Are the new SM rated oils a problem for our classic engines? The answer keeps coming back **YES!**

Check out the information on the home page of the National website www.cadillaclasalleclub.org.

By now everyone is aware of the issues concerning the latest SM rated oils. The best solution appears to be using a camshaft and lifter break-in protection lubricant that contains high levels of Zinc and Phosphate with each oil change. GM Part #1052367 E.O.S. Assembly Lubricant is such a product. Adding two ounces per quart of SM rated oil will bring the Zinc and Phosphate level back up to the level of an SL rated oil. It might also be a good idea to add a half-ounce per quart when using a SL rated oil. This product is not recommended by General Motors as an oil additive so the decision to use it must be your personal decision. This product should not be used in vehicles with catalytic converters because of its high Zinc and Phosphate levels.

David Fornes has acquired a supply of this Assembly Lubricant and will have it at our next Club meeting.

Cadillac Through The Years - 2008: Our largest annual event is scheduled for Sunday Feb. 10, 2008. Mark your calendar now; this is a must-attend event. This year we are expecting to have seventy classic Cadillac and LaSalle vehicles on display. It may seem like a long way off but the planning process has begun. Starting in November, we will be doing a number of promotional activities to get the word out about the car show. We'll need about a dozen members and their vehicles for the various promotional activities. We also need to identify two cars as featured vehicles for a photo shoot. If you would like to have your car as one of the featured vehicles or would like to participate in the promotional activities contact Colin Christie by October 15th (Colin's phone number is 702-562-0940).

Car Shows and Club Events:

Lake Mead Boat Cruise - On Saturday Sept. 8th several Club members enjoyed a paddlewheel-style boat cruise offered by Lake Mead Cruises. The cruise lasted about 90 minutes and provided an interesting view of Lake Mead and The Hoover Dam. The Cruise Line was having a little trouble; the boat was smaller than we expected, food was not available, and the boarding pictures did not turn out. But it was still a fun afternoon and a good opportunity to chat with other Club members. Following the event we all enjoyed a Mexican dinner at a local restaurant in Boulder City.

Club members participated in the **Premier of the 2008 Cadillac CTS** held at Findlay Cadillac on Tuesday Sept. 18th. Across the front of the Dealership we had an interesting cross-section of classic Cadillac-built vehicles. Highlighting the evening were performances by the LaVerne Christie Jazz Trio and Phantom of the Opera. Club members attending / classic cars on display were:

John Bergler	1959 Coupe deVille
Bob Cardillo	1965 Coupe deVille
Colin Christie	1939 LaSalle Sedan
John Jipson	1939 LaSalle Coupe
Bob Koteris	1938 Series 75 Sedan
Morris McGaughey	1993 Allante
Ed Pentesco	1960 Eldorado Brougham
Eddie Powers	1956 Sedan deVille
John Villano	1983 Coupe
Gus Zidakis	1939 LaSalle Sedan

Super Run 2007 was held Sept. 20-23 in Henderson, NV. This was the eighth consecutive Super Run. The event opened with a kick off gathering on Thursday Sept. 20 in The District at Green Valley Ranch. This was followed by a three-day car show on Water and surrounding streets in downtown Henderson. Las Vegas Region members participating were: John Bergler with his 1959 Coupe de Ville, Chuck Bertram with his 1957 Coupe de Ville, and Ryan Allain with his 1942 Series 62 Coupe. Other Cadillacs seen at the show included a 1911 Roadster, 1963 Convertible, 1959 Convertible and a 1955 Fleetwood Sedan. Congratulations go to John Bergler who received a Directors Pick Award for his 1959 Coupe deVille.

Wheels in the Park 6th Annual Car Show: The Hustlers Club of Las Vegas hosted this event during the Wurstfest in Boulder City on Saturday Sept 29th. With the combination of perfect weather and a location on the grass, attendance was high at 220 vehicles. There were many Cadillacs on the show field including those of Cadillac & LaSalle Club members Chuck Bertram (1957 Coupe deVille), John Bergler (1959 Coupe deVille), Ed Pentesco (1960 Eldorado Brougham), Bob Cardillo (1965 Coupe deVille), John Adams (1970 Calais Custom), Chris Dodge (1978 Eldorado Biarritz), and John Villano (1983 Coupe).

Embarq Car Show: Several Club members attended the Embarq Show Saturday Sept 29th. The event was held at the Embarq facility on Valley View just south of Interstate 95. Club members attending and displaying Cadillacs were:

Colin Christie	1917 Type 55 Phaeton
Jerry Robinson	1941 Series 63 Sedan
Gary and Carolyn Weaver	1976 Sedan deVille

Also attending were Club members Doug Crowe and Rick Hanna. Congratulations go to Colin Christie who received a Best in Class Award for his 1917 Cadillac.
